

Parking on French Creek's Catch and Release Fly Fishing Only Area

For those of you who will be fishing French Creek this year you are well aware that the parking situation has changed since the new bridge was finished. Board member Dick Allebach has spent considerable time developing relationships with the adjacent landowners to establish several parking locations for fly fishermen to access this section of stream. DJL members are encouraged to use **ONLY** those areas marked on the map and try to make sure other fishermen do the same. Remember also to keep the noise down.
