You too can learn to fly fish!

(Valley Creek Wild Brown Trout)

Fly fishing can be a rewarding, year-round sport that can be enjoyed by the entire family. **The Dame Juliana League's Learn**

to Fly Fish Course is intended to get you started in the sport.

You will learn all the basic skills and, with a little more practice and time, you can become skilled fly fishermen. The course is a great value and will provide all the information and instruction that other more expensive courses provide. All of the instructors have been teaching the course for any years and are experienced, seasoned fly fishermen. Casting is taught by an *IFFF Certified Casting Instructor*. The course is limited to 40 students and advance registration is required. All equipment is provided and a PA fishing license is not required. If you have a fly rod and reel, feel free to bring it along and plan to join us for a fun filled day. Send in the registration form and payment now.

Who is the **Dame Juliana League**?

The **Dame Juliana League Fly Fishers** was founded in 1971 and is dedicated to educating our membership in the art and science of fly fishing and to provide better opportunities to pursue our sport. Our home waters are those of nearby French Creek, in beautiful northern Chester County. Our organization considers our aquatic resources to be of prime importance and actively works towards the preservation and improvement of the habitat of the streams we fish most often.

The **League** is an affiliate member club of the *International Federation of Fly Fishers (IFFF)*, headquartered in Bozeman, Montana and their *Chesapeake Council*. We meet on the last Monday of each month from September through April. Whether you are just learning to fly fish or are an experienced veteran, our programs are interesting and fun. All of our meetings are open to the public so be sure to visit our website at www.djlflyfishers.org for more information.

What the Course Covers!

Fly Casting Instruction
Basic Equipment Needs
Lines, Leaders & Knots
